Summary

Junior Front-End Developer with a background in Law and a Certificate in Front-End Web Development from Trilogy x edX bootcamp and the Department of Education. Skilled in JavaScript, CSS, React.js, and responsive web design. Eager to apply these skills as part of a quality-driven team to create exceptional web experiences.

Technical Skills

Languages: JavaScript ES6+, CSS3, HTML5

Applications: Github, Gitlab

Tools: React, Node, Query, Bootstrap

Projects:

Coffee Curator | Github: <https://github.com/harrygarstang/Coffee-App-Project> | Deployed: <https://harrygarstang.github.io/Coffee-App-Project/>

- Worked closely with a small team in an agile development environment to co-author a coffee shop locator site allowing users to discover local coffee shops based on their preferences.
- Implemented responsive design for a seamless user experience across desktop and mobile devices.
- Demonstrated proficiency in JavaScript, CSS, and API integration, as well as an understanding of user interface design and development best practices.
- Deployed application on GitHub Pages for easy access and testing.

Experience

Barista | **Costa Coffee, Bristol** | April 2022 – Present

- Maintained brand standards of customer service and product quality in a busy average £3000 per day revenue store.
- Promoted from Unskilled to Skilled Barista after completing 12-week additional training.

Intern | **Harrison Clark Rickerbys Solicitors, Worcester** | August 2022

- Assisted an experienced partner in the Construction and Engineering department during a work experience placement
- Reviewed construction contracts with a keen eye for detail and observed effective communication skills in technical meetings

Officer Cadet | **Bristol University Officers' Training Corps, Bristol** | October 2021 – March 2022

- Collaborated with a team to solve problems and perform under pressure during 6 months of part time training

- Developed time management and resilience skills while balancing training with part-time studies

Waiter | **Marstons PLC** | Kidderminster, Worcestershire | May 2021 – September 2021

- Accurately managed customer data while complying with company policies and data protection legislation

Referee | **Worcestershire Football Association** | October 2018 – May 2021

- Demonstrated strong leadership skills in managing football games and effective communication with players, coaches, and general public under pressure.

Education

Certificate in Front-End Web Development | **edX** | Bristol, England | November 2022 - March 2023

University of the West of England | Bristol, England | September 2021 – Present

- Second-year law student with a strong 2:1 grade
- Studying IT Law with a keen interest in technology law, including the laws surrounding online communications, data protection, software and copyright, IP and AI, IRL regulation, blockchain, NFTs, and Web 3.0

The Bewdley Sixth Form Centre | Bewdley, Worcestershire | September 2019 – May 2021
